

I am delighted to inform you about Elsevier's Postdoc Free Access Program.

The program is intended for scholars who recently received their PhD's and currently do not have a research position. We offer them unlimited complimentary access to all our journals and books on ScienceDirect, for up to 6 months. This program allows those who qualify to have access to scientific journals and books in their field.

Researchers who are interested should apply before December 15.

More information can be found at:

<http://www.elsevier.com/wps/find/authorsview.authors/postdocfreeaccess>

Please forward this message to eligible researchers.

With best wishes,
